

## HOW TO PICK UP AT GOT KIDS? SALE

- **Please shop the dollar dash first if interested.** Sunday 3pm-5pm. All donated items \$10 or less can be purchased for \$1 an item. **CASH ONLY** This money will go to a charity.
- Pick up is Sunday 3-6pm. No exceptions. Please come as early as you can so you can find your items. If you can't pick up your items you can have family or a friend do it for you.
- If you have over 30 items you indicated you were picking up please make sure you do. Our donation companies are very taxed and we need to be out of the facility by 8pm. **There is a NEW \$20 haul away fee if this does not happen.**
- Please bring your unsold items list and your adjusted inventory list you used at drop off. These will not be provided for you.
- You must check in at the table before you start finding your items so we know that you are here! **If you do not check in this will trigger the haul away fee.**
- We have moved all items back to the category your items should be in but please look over other like areas as they may be there.
- Indicators placed on your items before drop off helps you easily notice your items.
- If you still can't find your items there is a missing tags, broken, or not accept item area.
- There is also the donation spot but these items will be checked twice before leaving.
- There is also a return to floor basket at each check out table.
- Also during the sale if there is an issue with your tag I will remake a tag to sell your item. You can find that on your sold list as a second tag at the end.
- Please refer to both of your lists before heading to the checkout table.
- At the checkout table our team will check all your items to make sure you are only taking your items.
- From there you can add items to the list of lost items. Please do not add them to the list if you are not going to pick them up if found. It is very time consuming to our team when this happens.
- We always need help even at the last minute to facilitate this process. Please consider joining our team and volunteering!
- Thank you all for joining us and we are here all along the way to support you!
